Subject Re: Options Briefing

Hi, Reid.

I read through it yesterday and have some comments, nothing too major. I will wait until you incorporate Sue's comments though and revisit my comments.

(b)(5) - Deliberative Process Privilege

I will try to get that to you early next week. It shouldn't impact the Options Briefing since the briefing itself is general enough.

Hi Angelique,

I have received extensive comments from Sue. You may want to hold off on a review of the options selection briefing until I incorporate the changes. Thanks.
